We specialize in choice Florists' flower seeds, and to aid the average grower of Sweet Peas, we have made a careful study as to the best varieties in each color that should be sown for early planting to flower for Christmas and during January and February, and the best varieties to sow late, after your Mums, to flower for Easter and later.

We recommend the following by the advice of some of the best Sweet Pea growers we know of:

**BEST FOR JULY AND AUGUST SOWING FOR CHRISTMAS AND LATER**

- New Snow White or Improved Snowstorm
- Jeanne Mamitsch
- Blue Bird
- Gilda Grey
- Othello
- Harmony
- Rose Dove
- Amethyst

**BEST VARIETIES FOR LATE SOWING AFTER YOUR MUMS**

- FOR EASTER AND LATER FLOWERING
- White Harmony
- Grenadier Harmony
- Giant Rose
- Improved Snowstorm
- Othello

**IMPROVED COMMERCIAL VARIETIES**

- **GIANT ROSE.** A glorified Jeanne Mamitsch, and a big improvement on Zvolanek’s Rose. This is a description we received from expert Sweet Pea growers who have tried it out. Best for Easter and late Winter forcing.
